Lipsky's Great Mid-Summer CLEARANCE AND REMODELING SALE

The Greatest Bargain Sale in the History of Merchandise

will begin on

Saturday, June 17

and end with

Saturday, July 8

Three Weeks Only!

—When we say this Sale will close on July 8, you know we mean what we say. You know how the price on everything has advanced and merchandise in our line is no exception. But as our stock is very large and full in all departments, owing to our having bought early in the season, we are going to give you the full benefit, for we need the CASH, and must reduce our stock preparatory to our moving part of our stock into the store next door. All of our departments will be rearranged. (It was fully our intention, as previously advertised, to occupy the store next to us the first part of this year, but we were unable to get possession before now.) We will put in a full and complete line of Furniture, Carpets, Rugs and Matings, in our rearrangement of our several departments.

As this sale is for the purpose of converting into cash as much as possible of our immense surplus of stock now on hand, we will sell

Strictly for Cash

at these Sale Prices. Anything charged will be at the regular prices. So let there be no misunderstanding. We can only give you a few prices, this we do that you may see before coming to our GREAT SALE that we are really making astounding cuts in prices, and this you will find runs through the entire stock. So come, and tell your friends!
